member reviews much time work reservations one  
 upgrade access useless works fix  
 waste give always book better hotel  
 poor frustrating able get remember please every  
 site login know want brands back going new  
 page spg anything makes room far start never come ive sign  
 find like log stay using location awful worthless user stays  
 screen horrible diamond will well to need good easy use  
 horribl passbook info cant website iphoney way city  
 many used number basic functionality travel look  
 points almost update great actually brand  
 check see needs honors information  
 version doesnt disointing properties  
 worst
