h honors reservations  
now honors doesnt  
information upgrade  
quality new waste etc change please  
stay info mobile user never  
update back using start every good still bad  
easy take well points poor login find can search log  
many website reviews nothing properties will look e needs  
know give stays just really one actually city great  
book like use diamond try see  
useless dont spg screen access better  
want web view also ever lot iphone room  
need even last basic number worst functionality  
hotels reservation site  
check remember much  
member work

cant
