A word cloud of user feedback for SPG, shaped like a heart. The words are arranged in a dense, overlapping manner, with larger words indicating higher frequency or importance. The words are in black, sans-serif font on a white background.

update
good work easy
works
member information fine phone working will need credit
make version love account platinum
info issue really fix now fixed website
even ios every like room card
booking much log in using
cant see new please
one search can still find login
book hotels nice iphone
always passbook battery
crashes reservation well
get ipad stays needs point stay dont use
useful better just number hotel
location services spg
great
